10-15

Noah and the Flood

Genesis [6:9-8:22](#)

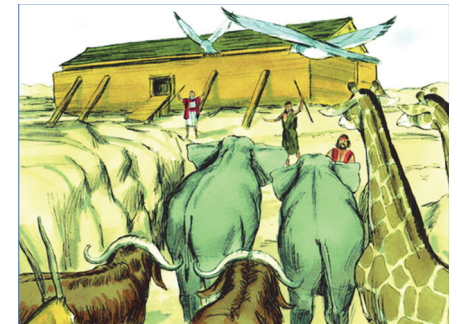

God was angry with the people on earth. He was angry because the people had many sins. People were not sorry for their bad ways.

They were very, very bad. God was sorry he had made them. God said, "Because of this I will punish the earth. I will destroy all people and animals with a flood."

10-14

But here's my plan for you to make a big boat for your family. And put some animals in the boat, too."

Noah did all that God said. He made the big boat to God's plan.

10-16

Then God told Noah to take his family and the animals into the boat. Noah did that. It rained for 40 days. A very, very big flood of water came. All living things on earth died. But Noah and his family were safe in the big boat.

10-17

Then Noah worshiped God. God was happy with Noah. God promised Noah, "I will not flood the earth again." God put a rainbow in the sky to show his promise.

10-19

Finally, God sent a very big wind to dry up the water on the earth. Then God said to Noah, "Go out of the boat with your family and all the animals." Then Noah went out of the boat with his family. All the animals went out of the boat, too.
