# Jesus Gives the Greatest Law

[Mark 12:28-31](#); [John 13:34](#)

One day, a teacher of the law came to Jesus. He asked Jesus a question. The teacher asked, “Which law is the greatest of all?”

Jesus said, "The greatest law is this: Love God with all your heart. Love God with all your soul. Love him with all your mind. And love him with all your strength. This is the first law.

There is also a second law. You must love your neighbour as yourself. No other laws are greater than these."

Jesus taught us some more about God's laws. He said this to His disciples: "I am giving you another law: Love each other. You must love each other as I have loved you. All people will know that you are my disciples if you love each other."

# Answer the questions

1. What is the greatest law?
2. What is the second law?
3. What new law did Jesus give to all His disciples?
4. If we love each other, what will other people know about us?
5. How can you love God with all your heart, soul, mind and strength?

# Song: Love One Another

A new command I give to you:  
Love one another.  
As I have loved you so you must too.  
Love one another.  
By this all people will know that you  
are my disciples  
if you love one another as I do.

Love your sister and your brother.  
Love the stranger and the other.  
Love your neighbour as yourself  
And love your enemy.

Love them all as I love you

Subject Job application for manager position

Dear Hiring Director:  
I am applying for the manager's job. This would be my first job in this country, but I was a manager in Spain for 15 years. My first language is Spanish and I can speak English well. I can also read and write French. I cannot work on Sundays but I can work on Saturdays and evenings. I can start in two weeks. I hope you can give me the chance to meet with you and talk more about the job.
